Multi-Year Work Program (Service Reviews)

This schedule provides a comprehensive overview of Placer LAFCO's service review adoption status, organized by agency type. This list includes the specific adoption dates for service reviews pertaining to each city and special district to facilitate timely renewal and meet State code. Service Reviews occur every 5 years, with exceptions to improve governance at the discretion of LAFCO (e.g., proposed SOI updates, amendments, or jurisdictional boundary changes).

Dependent Districts

MSRs play a crucial role for dependent special districts, those districts overseen by another board (in Placer County by the County BOS), by offering independent assessments of local accountability, governance, and transparency. They identify service delivery gaps, clarify financial matters related to County-managed funds and charges, and inform options for governance or reorganization when needed. Reviewing all dependent districts in a single cycle may streamline the process by consolidating information-gathering from the County.
